Long, short, wide or round, there's a Gough Plastics MegaTrough just right for your paddock!

- Light-weight to transport and install by yourself
- Heavy-duty ribbed design to handle being knocked around
- Easy to empty and relocate
- The grey colour helps keep the water cooler
- Unique water ballast system within the hollow cavity

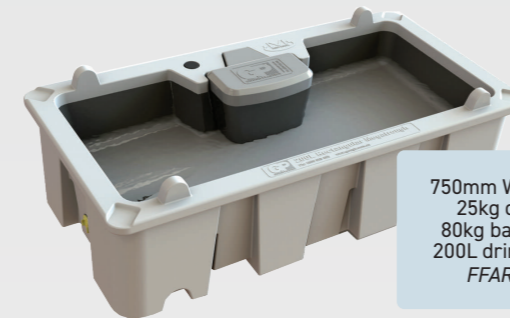

Our unique water ballast system for MegaTroughs

Water ballast makes the trough heavy once in place and filled, ensuring cattle can't move the trough. This is ideal for permanent installations.

Dimensions may vary by plus or minus 3% due to the rotational moulding process.

1.5m MegaTrough

2.4m MegaTrough

Registered Design No. 201510875

Long MegaTroughs

Long MegaTrough

Allowing 2ft per beast, approx 10 head will fit around this trough.

*All prices include GST, ex-Townsville factory and exclude delivery. For full price list go to gough.com.au/price-list.htm. Prices may be subject to change without notice.

GOUGH PLASTICS
LICKROOF

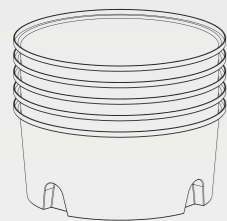

A cattle feed shelter designed to protect lick supplement from wet weather conditions

- Roofs, frames and troughs nest together for easy transport
- Sold as a complete unit or as individual components

LickRoof: RGB = ReGrind Black (recycled material), VGN = Virgin Powder

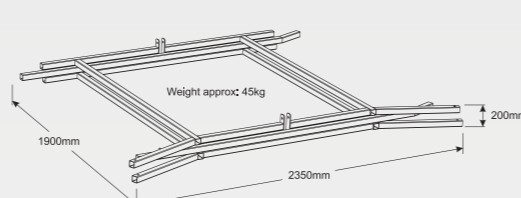

Part Number	Description	Price*
FFAR800.240	LickSkid or LickStand Frame, Roof and F450 Combo RGB	\$1,051.22
FFAR800.240	LickSkid or LickStand Frame, Roof and F450 Combo VGN	\$1,195.98
FFAR800.240	LickSkid or LickStand Frame, Roof and F600 Combo RGB	\$1,074.48
FFAR800.240	LickSkid or LickStand Frame, Roof and F600 Combo VGN	\$1,219.24
FFAR800.2401.4	Add-on Tilting LickRoof Kit (optional extra)	\$166.65

Troughs nest together for transport
Suitable for F450 and F600 troughs

Roofs nest together for transport
(approximately 40kg per roof)
Allow 50mm for every additional roof in the stack

Frames flat pack for transport
(approximately 68kg per frame)

GOUGH PLASTICS
WATERSMART TROUGHS

Ideal water troughs for cattle, horses and other livestock

- Perfectly suited to small numbers of animals
- Simple installation, light-weight and user-friendly
- High quality float valve with 1" male connection
- The float is out of the water
- UV-stabilised, food-grade plastic for long life
- Recess for your external pipework giving added protection
- Designed to stack for transport

WaterSmart Trough and Valve				
Part Number	Size	Diameter	Height	Weight
FFAR800.4200	200L	1025mm	460mm	18kg
FFAR800.4400	400L	1200mm	580mm	25kg
FFAR800.4600	600L	1480mm	580mm	32kg

Dimensions may vary by plus or minus 3% due to the rotational moulding process.

GOUGH PLASTICS
MOLASSES FEEDING

A safe and effective way to feed molasses based supplements

- Eliminate livestock loss from falling in and drowning
- Cattle have to lick the supplement by turning the vertical wheels which help to regulate intake and prevent waste
- Ergonomically designed to make loading a one person job
- Made with translucent material to allow the liquid levels to be monitored from a distance. Other solid colours optional
- Maximise head per trough with an unrivalled 8 wheels
- 750L capacity = 1 tonne molasses
- Fully pre-assembled by us ready to use
- High quality UV-stabilised Polyethylene construction

Registered Design No. 201912258

MaxiBeast® 750L **\$1,485.00***

Length: 2410mm
Width: 1120mm
Height: 775mm
85kg dry weight
FFAR900.0001

Roof Colour Options

Other colours available on request.

Bulkezy

\$1,152.91*
BARRIER & TROUGH COMBO

Bulk-fill direct in paddock. Individual feed ports; less bullying, less waste. Allowing 2ft per beast; approximately 11 head will fit around this trough. 2,300L capacity.

Bulkezy Floating Barrier	
Part Number	Description
FFAR800.2500RGB	System, including Barrier and F2300 Trough Combo

EzyLicker

\$198.00*
EZYLICKER 1340 FITS FEEDSMART 750L

Control liquid feed consumption and slow down your livestock feed-rate with EzyLicker 1060 and 1340. Provides a safe landing place for wildlife.

EzyLicker Floating Licker Disc		
Part Number	Description	Price*
FFAR800.2003	EzyLicker 1060 (F380-F600)	\$184.80

Custom Industrial Applications

Utilising our range of moulded tanks combined with plastic welding and fabrication expertise allows us to create custom industrial arrangements to suit your needs:

- Storage banks
- Treatments systems
- Filtration/aeration systems
- Agitation stations

Custom fit out accessories include:

- Level indicators
- Stand pipes
- Vents
- Baffles
- Valve manifolds
- Distribution chambers

EcoDose 400 Dosing Station

- Contains accidental spillage and allows easy spillage pumping
- Keeps rainwater and wildlife away from chemical storage

EcoDose 400 | Length: 1,800mm
Width: 1,180mm
Height: 1,276mm
FMAM400.0001

\$2,062.50*

Chemical, Sullage, Process, Balance and Sludge Tanks

- Moulded thicker to handle high specific gravity liquids
- All tanks subject to chemical compatibility
- 3", 4", 6" connection kits
- Fill pipes
- Valves
- Level indicators
- Sizes from 375L to 10,000L

375L

10,000L

*All prices include GST, ex-Townsville factory and exclude delivery. For full price list go to gough.com.au/price-list.htm. Prices may be subject to change without notice.

DAM FLOATS AND BUOYS

Dam Float

Float designed for pumps on dams, with either in-line or off-set tabs.

Diameter: 550mm

Volume: 30L
Max. Rec. Payload: 15kg
FFAR800.0100

Mooring Buoys

Buoys are used for public moorings. Standard Buoy has galvanised shackles. Standard and Honey Bee Buoys come in bright colours with mould-on identification graphics.

Standard Buoy
Diameter: 600mm
Height: 800mm
Volume: 70L
FENV800.0001

Honey Bee Buoy
Diameter: 550mm
Height: 950mm
Volume: 110L
FENV800.0006

QUALITY FITTINGS

Screw Hatch
455mm diameter
Smart vent assembly
Hinging

Strainer Basket
455mm diameter, 210mm deep
Suits 455mm screw hatch

Poly Bulkheads
Suit chemical applications 1" and 2"

Butterfly Valves
2", 3", 4", 5" and 6"

Sight Tube Kit
Clear PVC flexible tubing
2 x 1" poly elbows
2 x s/s hose clamps
2 x 1" poly bulkheads

Moulded-in Inserts
Brass BSP female thread 2", 3" and 4"
Stainless BSP female thread 2", 3" and 4"

Ball Valves
Plated brass 2", 3" and 4"

Brass Bulkheads
Suit water applications 1" and 2"

Stub Flanges (weld-in)
With galvanised backing ring 4" and 6"
With stainless backing ring 4" and 6"

OUR SERVICES FOR YOU

Service Vehicle

Gough Plastics has a fully equipped service ute to come straight to you, ready to make repairs.

Deliveries

We make prompt deliveries throughout the North Queensland region.

Providing innovative solutions in plastic since 1989.
